On the 31st of October, the lost continent of Atlantis rose from the depths, to become the setting for the Hornet Day Assembly. Surrounded by coral, assorted sea life, such as lobsters and clams, and the ruins from an ancient temple, the 1969-70 Homecoming Court was presented. Of the 55 girls who originally were presented to the student body, Kris Woodhouse was crowned as queen to rein over the royal subjects for all of the Hornet Day activities. After the assembly was over court members, their escorts, and parents were invited to a reception.

That same evening brought the Homecoming football game with Sandia. Queen Kris and her court were in attendance and were presented to the football fans during the halftime festivities. The Homecoming game, played at Wilson Stadium, saw the Hornets beat Sandia.

Assemblies Are Undergoing Evaluations

Many of HHS' old traditions were upheld in this year's assemblies. Traditions such as "Seniors leave first", class yells, and pep assemblies to cheer the teams to victory, were common. But, the Highland assemblies have been criticized and this year a decision was to be reached as to the continuation or the complete removal of all HHS assemblies.

A student-faculty board has been appointed to approve all assemblies and to place restrictions when necessary. This new board is just one part of the new HHS assembly plan.

Seniors Stage Talent Show in October

On October 8th, the Senior Class held their first money-making project of the year. Held in the gym, the entertainment ranged from comic acts to solos. An assortment of musical instruments was used in the acts. Guitars, drums, tamborines, harmonicas, wash boards, and a "mouth jug" were all used in the acts.

Humanities Class Holds Unique Event

In December, the Humanities class sponsored a "Medieval Fair" in the Music Building. Clothed in authentic costumes of the period, members of the class posed as beggars, priests, bar girls, musicians and other varied personalities.

Those attending changed modern currency for Medieval coins and exchanged them for the items on sale which included stew, "wine", shoes and herbs.

Sponsored by the Humanities class' teachers, Mr. Frank McCulloch, Mr. Arthur Loy and Mr. Bill Robertson, the fair was well attended by students and faculty.

Thespians Do "Murder Takes The Stage"

For the 1969-1970 school year, the Thespian club presented its play, "Murder Takes The Stage."

The cast consisted of 13 characters, four of which were major parts. They were, Mitizi Bond played by Beth Swier; Bob Rayfield, David Salazar; Hazel Laverne, Linda Walker; and Ann Martin played by Ruth Moser.

Other members of the cast included: Debbie Skeel, Nancy Gatewood, John Hardman, David Pitchford, Bob Holiday, Shiela D'Ambrosia, Georgeann Mellen, Mark Jensen and David Flagstaad.

Valentine Day Dance Revived

An attempt to revive the traditional Valentine's Day Dance was put forth this year by the Junior Class. Although the turnout was rather small those attending seemed to overlook this and enjoy themselves. The dance was formal for girls, semi-formal for boys. The Rush provided the music.

NJROTC Hosts Military Ball

Cheerleaders Spirit Drivers For Active Teams

Highland's 21st group of cheerleaders represented HHS in a large variety of activities during 1969-70. Mrs. Virgina Moody sponsored the girls. The cheerleaders made three out of town trips—two to El Paso and one to Hobbs.

It was their responsibility to paint and put up signs advertising athletic events throughout the year. As HHS teams departed for out-of-town trips they were presented with 12 dozen cookies which had been packed by the girls.

Prior to certain football games signs were painted and erected on the lawns in front of the team members homes. The cheerleaders took the basketball team to breakfast one moring during the basketball season.

Highland High Varsity Basketball team, this year had a slow start after coming back with only three members from last years Varsity. Coach Hogg has once again formed his team into one of Albuquerque's best by defeating one of the states best basketball teams this year, Albuquerque High School. This boost has given Highland the courage to go forth and try for State.

To add a touch of individuality to their team, Highland has one of their foreign exchange students playing on the team, Steini Gudnason. Coming from Iceland, Steini, had to adapt to American rules of basketball playing, unlike the International rules he had learned in his own homeland.

Once again the Highland Hornets are proving that they are a team 2AAAA can be proud of.

Leadership and service are important traits to the young men of Highland's Naval Junior R.O.T.C. program. Led by Chief Frank McFall, the cadets have grown, in two years, into an impressive school organization. Their precision drill team performed at football games and participated in local parades. Cadets hosted Admiral Livingston at a reception in the library.

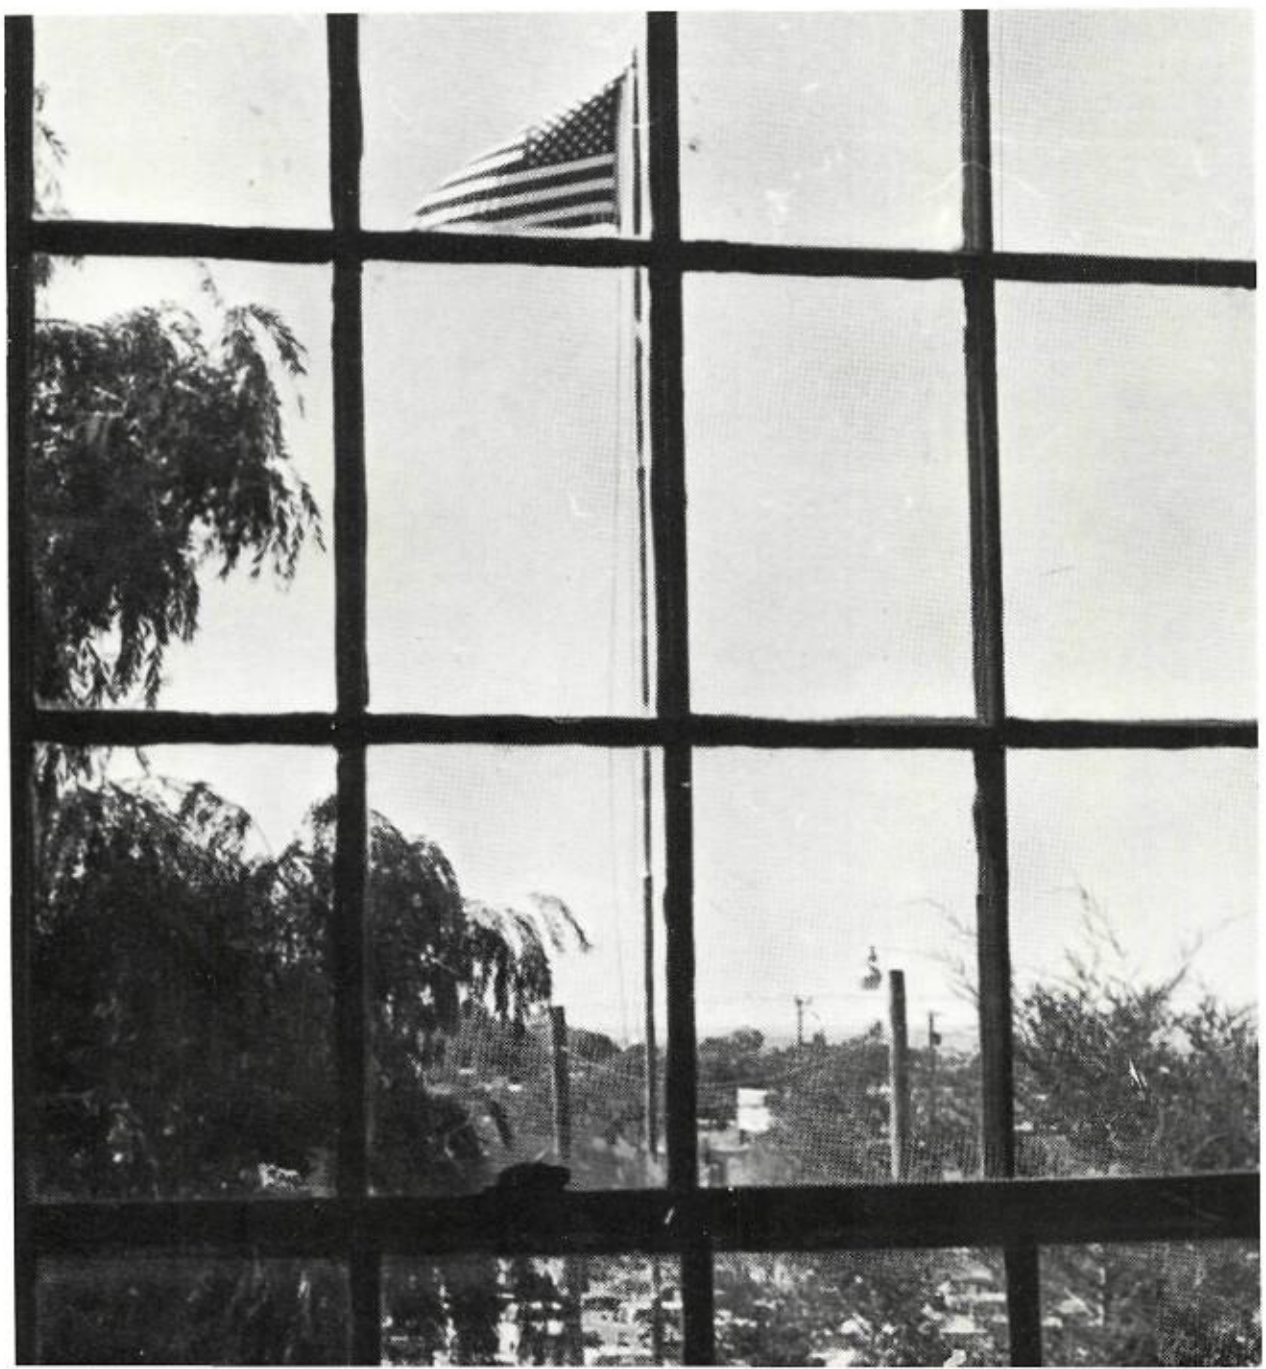
Classes



Displaying a nervous smile, Buffie Gallagher makes her entrance at the senior assembly. Right: Building an underwater pillar for the city of Atlantis was only one of the many problems faced by Eddie Katzenburger and Mrs. Robertson, senior class sponsor.

The Seniors were able to transform the gym into a very real picture of the city of Atlantis only through a lot of hard work. Many seniors stayed late into the night in order to complete all the necessary work for a successful assembly. Although much of the work was done prior to the night before, there was still a lot of last minute planning and many altered decisions.

King Rules Over Seniors

GARY !!!

Well, I never! You are the most, well, the most interesting person that I've ever met! In my crystal ball I see Mr. Gary Smith as the leader of some "naturalist" colony in Northern Alabama! If you can see that!! You'd be busy every minute!
Seriously, I hope you have a wonderful college career — especially in football because you're really the best if I say so myself! You'll be the best running back in the state & the girl would be the best running back in the bedroom!! Ha! Ha. Be good & forget it — have fun!! Love, Georgia Tobey

you still one of my best friends.
Now that you go away to school
we are all a little happier. Remember
you not a big high school stud
anymore like me (ha ha) Best of Luck
to you in the future and remember all
the good times we had.

Gary,
You're a great football
player who should be a
great punter, too. You're
a great representation of
Texas.
Good luck

Gary,
Hope your achievements
in the future are as good as
they've been so far. Keep

I'm sorry that we
haven't been very

Gary,
Even through all the chaps
and a few bad times, I still
think you are one heck of a
"good people". Really try to
make something of yourself-
cuz you certainly are capable. I
am confident that one of these
days you'll find what you
want from life. I really have
enjoyed knowing you Gary. May
God Bless you (on the football
field and everywhere else!)
Sincerely - with Love,
Cindy Eisenhuser
